	Change Request 13576

SUBJECT: July 2024 Quarterly Update to Healthcare Common Procedure Coding System (HCPCS) Codes Used for Skilled Nursing Facility (SNF) Consolidated Billing (CB) Enforcement

I. SUMMARY OF CHANGES: The purpose of this Change Request (CR) is to provide updates to the lists of HCPCS codes that are subject to the consolidated billing provision of the SNF Prospective Payment System (PPS).

Changes to Current Procedural Terminology/Healthcare Common Procedure Coding System (CPT/HCPCS) codes and Medicare Physician Fee Schedule designations will be used to revise CWF edits to allow MACs to make appropriate payments in accordance with policy for SNF consolidated billing in chapter 6, section 20.6.

EFFECTIVE DATE: July 1, 2024
**Unless otherwise specified, the effective date is the date of service.*
IMPLEMENTATION DATE: July 1, 2024

Disclaimer for manual changes only: The revision date and transmittal number apply only to red italicized material. Any other material was previously published and remains unchanged. However, if this revision contains a table of contents, you will receive the new/revised information only, and not the entire table of contents.

For Medicare Administrative Contractors (MACs):
The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

I. GENERAL INFORMATION

A. Background: The Centers for Medicare & Medicaid Services (CMS) periodically updates the lists of Healthcare Common Procedure Coding System (HCPCS) codes that are **excluded** from the CB provision of the SNF Prospective Payment System (PPS). Services **excluded** from SNF PPS and CB may be paid to providers, other than SNFs, for beneficiaries, even when in a SNF stay. Services not appearing on the **exclusion** lists submitted on claims to Medicare Administrative Contractors (MACs), including Durable Medical Equipment MACs (DME MACs), will not be paid by Medicare to any providers other than a SNF. For non-therapy services, SNF CB applies only when the services are furnished to a SNF resident during a covered Part A stay; however, SNF CB applies to physical and occupational therapies and speech-language pathology services whenever they are furnished to a SNF resident, regardless of whether Part A covers the stay. In order to assure proper payment in all settings, Medicare systems must edit for services provided to SNF beneficiaries both included and excluded from SNF CB.

The updated lists for institutional and professional billing are available at:
https://www.cms.gov/medicare/coding-billing/skilled-nursing-facility-snf-consolidated-billing

The Part A file updates are as follows:

Major Category V. A. -Therapies - INCLUSION

ADD: Effective January 1, 2024

97550 CAREGIVER TRAING 1ST 30 MIN

97551 CAREGIVER TRAING EA ADDL 15

97552 GROUP CAREGIVER TRAINING

The Part B file update is as follows:

File 1

ADD: Effective July 1, 2023

M0010 ENHANCING ONCOLOGY MODEL (EOM) MONTHLY ENHANCED ONCOLOGY SERVICES (MEOS) PAYMENT FOR EOM ENHANCED SERVICES

B. Policy: Section 1888 of the Social Security Act codifies SNF PPS and CB. The new coding identified in each update describes the same services that are subject to SNF PPS payment by law. No additional services will be added by these routine updates; that is, new updates are required by changes to the coding system, not because the services subject to SNF CB are being redefined. Other regulatory changes beyond code list updates will be noted when and if they occur.

NOTES ON CODES ABOVES:

* These chemotherapy administration codes are included in SNF PPS payment for beneficiaries in a Part A stay when performed alone or with other surgery, but are excluded if they occur with the same line item date of service as an excluded chemotherapy agent.

^ Payment for these codes is bundled with other rehabilitation services. They may be bundled with any therapy code. No payment can be made for these codes.
