

Part B Insider (Multispecialty) Coding Alert

In other news ...

- **Want to get a leg up on ICD-10? CMS is offering an introduction to the new diagnosis code system, which will be in place as of Oct. 1, 2013.**

You can dial in to CMS's educational conference call on March 23 to get a lowdown on the structure of ICD-10, how it will differ from ICD-9, and find out some common ICD-10 myths, which CMS intends to clear up.

To register for the call, visit www.cms.hhs.gov/ICD10/07_CMS_Sponsored_Calls.asp.
