Background and Authority

The ISMICC was established on March 15, 2017, in accordance with section 6031 of the 21st Century Cures Act, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to report to the Secretary, Congress, and any other relevant federal department or agency on advances in serious mental illness (SMI) and serious emotional disturbance (SED), research related to the prevention of, diagnosis of, intervention in, and treatment and recovery of SMIs, SEDs, and advances in access to services and support for adults with SMI or children with SED. In addition, the ISMICC will evaluate the effect federal programs related to serious mental illness have on public health, including public health outcomes such as (A) rates of suicide, suicide attempts, incidence and prevalence of SMIs, SEDs, and substance use disorders, overdose, overdose deaths, emergency hospitalizations, emergency room boarding, preventable emergency room visits, interaction with the criminal justice system, homelessness, and unemployment; (B) increased rates of

employment and enrollment in educational and vocational programs; (C) quality of mental and substance use disorders treatment services; or (D) any other criteria as may be determined by the Secretary. Finally, the ISMICC will make specific recommendations for actions that agencies can take to better coordinate the administration of mental health services for adults with SMI or children with SED. Not later than 1(one) year after the date of enactment of the 21st Century Cures Act, and 5 (five) years after such date of enactment, the ISMICC shall submit a report to Congress and any other relevant federal department or agency.

This ISMICC consists of federal members listed below or their designees, and non-federal public members.

A roster of Committee members is available at the Committee's Web site: <https://www.samhsa.gov/about-us/advisory-councils/smi-committee>

The ISMICC is required to meet twice per year.

Carlos Castillo,

Committee Management Officer.

ADVISORY COUNCIL ON HISTORIC PRESERVATION

Notice of Proposed Draft Program Comment To Exempt Effects of Transportation-Related Undertakings Within Rail Rights-of-Way

AGENCY: Advisory Council on Historic Preservation.

ACTION: Notice of availability and request for comments.

SUMMARY: The Advisory Council on Historic Preservation, in coordination with the U.S. Department of Transportation, proposes a program comment to exempt effects of transportation-related undertakings within railroad and rail transit rights-of-way. This program comment would exempt from Section 106 review certain activities that have the potential to affect historic properties within railroad and rail transit rights-of-way where those effects are likely to be minimal or not adverse. Further, this program comment includes an optional approach that could streamline the Section 106 review for additional types of transportation-related undertakings involving railroad and rail transit properties, including those that may cause adverse effects. Issuance of this program comment would fulfill the
