#### SUPPLEMENTARY INFORMATION:

##### Contents

This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

##### Information Collections

1. *Type of Information Collection Request:* Existing Collection in use without an OMB control number; *Title of Information Collection:* Religious Nonmedical Health Care Institutions (RNHCIs) Conditions of Participation; *Use:* The purpose of this package is to request approval for this existing collection in use without an OMB Control Number for Religious Nonmedical Health Care Institutions (RNHCIs) Conditions of Participation (CoPs). RNHCIs are facilities that provide non-medical nursing items and services to patients who choose to rely solely upon a religious method of healing and for whom the acceptance of medical health services would be inconsistent with their religious beliefs.

The information collections (ICs) for RNHCIs enable CMS to ensure these facilities comply with health and safety

requirements under Title 42 Code of Regulations (CFR) Section 403, Subpart G. The specific ICs associated with burdens are as follows: IC–1: §§ 403.724(a)(2) & (a)(3)—Sign, Date & Notarize election statement; IC–2: § 403.724(a)(4)—Copy & Submit Election Statement to CMS; IC–3: § 403.730(a)—Provide Patients Notice of Rights; IC–4: § 403.736(a)—Provide Discharge Plan.

The previous iteration of this package included an estimated annual burden of 1,943 hours and an annual cost of \$79,998. For this iteration, the total annual hourly burden is revised to 824 hours, with an annual burden cost of \$38,113. There is no collection instrument. *Form Number:* CMS–10712 (OMB control number: 0938–NEW); *Frequency:* Quarterly; *Affected Public:* Private Sector—Not-for-profit institutions; *Number of Respondents:* 56; *Total Annual Responses:* 2,476; *Total Annual Hours:* 824.
